That works for me, although I agree it is a late time. Thanks for handling the communications on this, Ron, and the rental car. I am putting in my travel request now. -Tom T. LAN or 6-6613

Subject MEETING WITH MAYOR BREGEN

Joe, Mike, and Tom,

Mary told me that Mayor Bregen's office and Frank Miles would like to have the meeting at 2 p.m. on Tuesday, June 20. (Mary said she mentioned our preference to have the meeting in the morning, but to no avail.)

Are you OK with this time?

P.S.: If we agree to this schedule, there's an 11 a.m. SW flight out of Midway. For return flights, there's a 4:50 and a 6:50 out of STL. I guess we would book the 6:50 (ugh!). I hope there's availability for these flights. I'll get a rental car at the STL AP.
